

TM-57 Enforcer

"The TM-57 Enforcer is a unique, tough, off-road grade vehicle. The TM-57 Enforcer will navigate the most demanding of conditions in off-road firefighting, search and rescue missions. With its compressed foam technology, it can deliver up to 1200 gallons of finished firefighting foam. With speeds of more than 50 MPH, this unit is available in either gas or diesel versions. A popular vehicle in military, commercial, and consumer markets, there is simply nothing that compares to TomCar. Now this powerful and versatile unit is available for ranches, farms, and all Fire Safety agricultural applications. This rugged unit will last for years and years.

Enforcer One and TomCar – providing unmatched payload, ground clearance and Fire Safety performance at a moment's notice. Environmentally friendly with immediate response. The TM-57 Enforcer provides the confidence in knowing that you can Protect, Prevent, and Extinguish!"
